

Fellowship

With the intention to support groups or individual centers in their efforts to activate, enhance accrual and conduct the IBCSG 35-07 / BIG 1-07 SOLE trial, IBCSG offers for up to five groups or centers an

IBCSG SOLE fellowship of € 25'000 per year

to the IBCSG community. Centers or groups of centers are invited to apply for a fellowship under the following premises:

- The fellowship is for a part-time post of a data manager, trial nurse, junior or senior oncologist. The appointed person is expected to work exclusively for the trial during the work time covered by the grant
- The grant is limited to one year, and renewable for a maximum of 3 years or until completion of recruitment to SOLE
- Applicants must detail to which degree the grant will be critical to increase their institution's contribution to the trial
- An IBCSG committee will choose the five most promising applications
- The trial performance of the institution will be evaluated yearly for renewal by IBCSG

Expectations towards the nominated grantees:

- Close communication with IBCSG offices
- Activity report every 3 months
- Attendance of the IBCSG annual meeting (travel costs covered by IBCSG)

Cooperative group or joint applications are encouraged.

Please use the **application form** overleaf, and send it back **no later than September 15, 2009**.
